### ATTACHMENT B

Please complete Sliding Fee Discount Application entirely. Please sign and return completed application and proof of income information to the health center within 14 days of the initial visit. Discount will start on the day proof of income is received.

Discounts will be based on household size and income. Regional Health Care Affiliates (RHCA) recognizes families do not always fit the traditional model. Health First identifies the definitions of a household, family, and income as below:

- A. **Household** consists of all the persons who occupy a house or apartment. Adult children living at home who are no longer dependent are considered a separate household. Roommates who share living arrangements but are not tied to one another through marriage, children or similar relationships are considered separate households. Those living with a friend or relative during a time of need, are also considered a separate household.
- B. According to the Census Bureau a **family** is defined as a group of two people or more (one of whom is the householder) related by birth, marriage, or adoption and residing together; all such people (including related subfamily members) are considered as members of one family.
- C. **Income** includes: earnings, unemployment compensation, workers' compensation, Social Security, Supplemental Security Income, public assistance, veterans' payments, survivor benefits, pension or retirement income, interest, dividends, rents, royalties, income from estates, trusts, educational assistance, alimony, child support, assistance from outside the household, and other miscellaneous sources. Noncash benefits (such as food stamps and housing subsidies) do not count.

Patients will not be discriminated based on age, gender, race, creed, disability, national origin or insurance status. Dignity, confidentiality, and respect will be given to all who seek and/or are provided charitable services.
